

UNICO COLLECTION

**MARBLE FURNITURE
HANDCRAFTED IN ITALY SINCE 1975**

WHERE DO WE COME FROM...

For centuries, Italian artisans have used natural stones to create such masterpieces as the "DUOMO", the "COLOSSEUM" and the statue of "DAVID".

Nestled among the hills of Tuscany, Stone International continues this tradition by using the stones extracted from the very same quarries in Carrara and Rome to handcraft beautiful furniture for today's modern living.

WHO WE ARE...

Family owned, since 1975 Stone International has been the world leading manufacturer of natural stone-based dining and occasional tables. Complimentary upholstery together with standard and customizable capabilities complete the offering to fit today's modern world. Located just outside of Florence, Italy where art and fashion provide a rich background for design and inspiration.
