

TESSA STOOL

STOOL

The TESSA stools are characterized by the iconic design of the backrest.

The seat can be upholstered with a single fabric or with two different fabrics, one for the front and one for the back of the backrest.

The back of the backrest can be quilted (only in solid colors).

The base of the stool can be:

- In painted wood (WA-Wenge Amazon, MSO-Sapphire Oak, LO-Laguna Oak), available in both bar and counter heights.
- In metal with adjustable height, featuring a hydraulic mechanism.
